

M895

Rubbolite LED Marker Lamp

Part Number	Description	Description and Features
895/01/04	Front Marker Lamp 12/24V	<p>12/24 volt LED front, side and rear marker lamps and can be mounted horizontally and vertically using a bracket. Model 895 lamps can be fitted to a variety of vehicles including trucks, trailers, tractors and buses.</p> <p>Attractively designed in an oval shape the Model 895 is one of the most popular marker lamps on the market. Both the rear and side marker lamps feature a reflex lens. All variants come with a peg fixing and terminal block connectors. The use of LED technology extends the life of the lamp through its high powered diodes by up to 600 hours and reduces the amount of power being drawn to the lamp.</p> <p>Dimensions: 100 (W) x 40 (H) x 17 (D) mm.</p>
